Dear Martyn

We will write down an instruction, addressed to all Belgian customs offices, authorising the temporary import of goods for the re-enactment events with verbal declaration.

All your members, who enter Belgium with goods for the re-enactments, should have a copy of this instruction with them.

Do you have some kind of invitation from the organisers of the event(s)? That way we can attach it.

Met vriendelijke groeten,
Cordialement,

Benny Bergmans
